

# Certificate

No. 27360

## Krügercolor

- Contents of the seminar:
- Principles of ISO standardization and conformance testing
  - Principles of PSO (ProcessStandard Offset) and PSD (ProcessStandard Digital)
  - Contract Proofing (ISO 12647-7)
  - Validation Printing (ISO 12647-8)
  - Colour communication and measurement
  - Basics in process control for conventional (offset) and digital printing
  - Basics in quality assessment for offset- and digital printing
  - Basics of data preparation, evaluation and preflighting (PDFX-Ready)
  - ProcessStandard Digital (PSD) audit

Successful completion: The following person passed the seminar successfully. The attendee proofed his knowledge of the seminar's contents by successfully passing two written assignments [VPC - for creating Validation Prints; CPC for creating Contract Proofs; PSD to prepare the PSD audit] and by a practical assignment.

**27360 Dr. Jürgen Krüger**

Valid until May 2018

Ratingen, 04 April 2016

A handwritten signature in blue ink, appearing to read "B. Oberhollenzer".

Dipl.-Ing.[FH] Berthold Oberhollenzer
